GreenSelect® Phytosome™

Metabolic Ignition: GreenSelect® Phytosome™, with its high concentration of EGCG, becomes a powerful catalyst for metabolism. This antioxidant-rich ingredient aids in fat oxidation, supporting a more efficient and accelerated weight-loss process.

Yohimbine HCl

Fat-Burning Amplification: Derived from the Yohimbe tree, Yohimbine HCl takes center stage in supporting fat loss by enhancing adrenaline levels. This synergistic effect helps optimize the body's ability to break down and utilize stored fat for energy.
